

Vessels of Honor 2018 General Information

The goal of the conference is to see believers yield themselves as vessels to God, sanctified and pure, prepared for the Master's use. The theme of the Vessels of Honor 2018 conference is "**Overcoming**" (1 John 4:4). The conference is for young adults, minimum age of 18, and is scheduled for Memorial Day weekend, May 25-28, 2018.

The conference begins with registration and a general session on Friday evening, May 26 at 7:30 pm. No dinner is served on Friday evening. The conference will conclude following the general session on Monday, May 29. No lunch is served on Monday noon.

SPEAKERS

The conference will include general sessions and elective seminars for all attendees. **Randy Hoffman and Scott DeGross** will be speaking during the general sessions. These men will also be elective seminar speakers, along with **Jesse Gentile, David Nicholson, Phi Hammond, Lori Kratzer and Kimberly Moffitt**. The ladies' ministry will be to the women.

In addition to the excellent opportunities for ministry there will also be plenty of time for fellowship during meals and between meetings. There will be group singing at the general sessions as well as opportunities for special music.

LOCATION

The conference will be held on the campus of Park University in Parkville, Missouri, a Kansas City suburb located 15 minutes south of Kansas City International Airport. Park is a small private university located in a town of a few thousand people. The university setting provides attendees with sleeping quarters, dining, and meeting rooms all within walking distance. Recreational facilities are also available during free time.

LODGING

Attendees will have the option of staying on campus or making their own housing arrangements. Married couples as well as singles are encouraged to attend. Typically, lodging is based on two people sharing one room with two adjoining rooms sharing a living area. If you desire to room with a particular roommate, you should indicate this preference on your registration form. There are private suites available for couples.

CHILDREN

The conference does not provide arrangements for child care. Small children (under 2) are welcome to come along with their parents and can stay at no cost, however.
